Don't worry about me going to Seminole we're
to good of friends to let that interfere. I don't even
need to tell you to keep-in-touch because we will always be
friends. You'd better watch out with those boys. If you ever
kind you've got to many to handle. Give 'em my number! I want
to thank - you for all the help you've given me. I hope someday
can repay you. Good-luck in the future even though you don't

GO FOR....

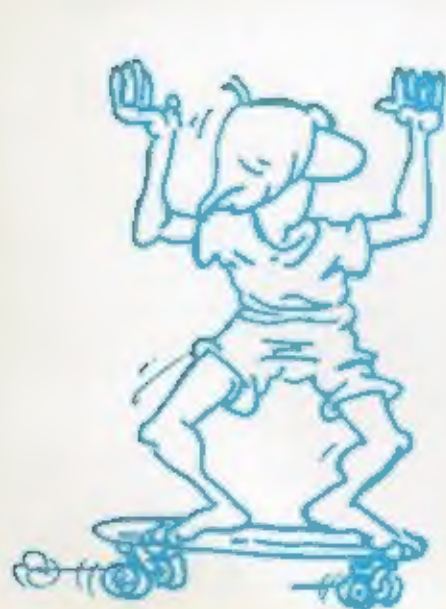

HAPPINESS

FOR
CINDY

The happiness which brings enduring worth to life is not the superficial happiness that is dependent on circumstances. It is the happiness and contentment that fills the soul even in the midst of the most distressing circumstances and the most bitter environment. It is the kind of happiness that grins when things go wrong and smiles through the tears. The happiness for which our souls ache is one undisturbed by success or failure, one which will root deeply inside us and give inward relaxation, peace, and contentment, no matter what the surface problems may be. That kind of happiness stands in need of no outward stimulus.

Billy Graham

1976-1977

The Week of November 5th was perhaps the best and the busiest of all our days here at Lyman. Although it started out with exams, a rough beginning, it ended with many laughs and a lot of great memories shared together that will make wonderful memories.

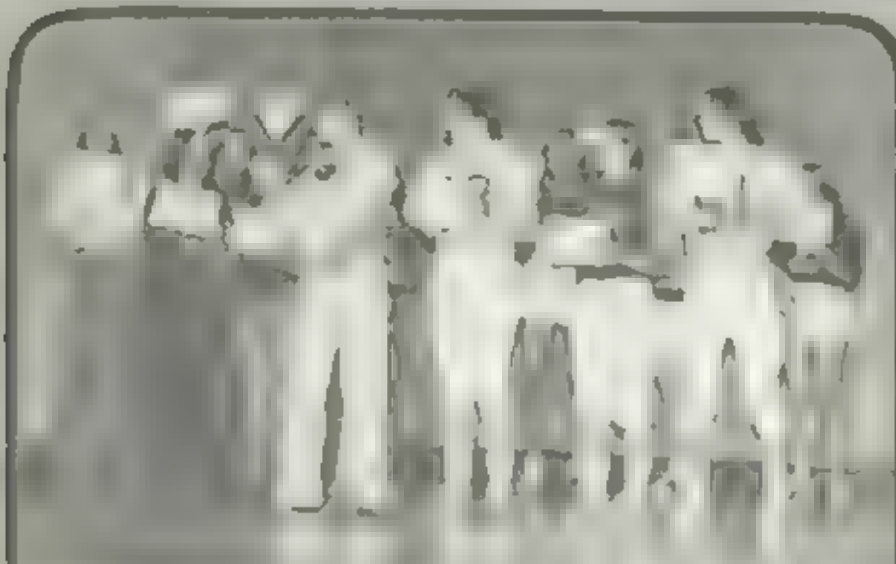

Tuesday was Little Kids Day and everyone was outfitted in ruffled PJ's and all hugging teddy bears. Bobby socks, pot tails and big, bad Tee-Shirts were worn by all the "cool cats" on Wednesday, filling Lyman with the air of the 50's. Thursday was Blue and Gold Day, with the might powderpuff players decked out in their TUFF STUFF and LIL' HUSTLER jerseys. There was no school Friday which gave everyone plenty of time to get ready for the "big" game and the finale of

POWDERPUFF GAME

The juniors put the first numbers on the scoreboard with a three point field goal, but the seniors made a comeback and took the lead by scoring a touch-down. The Tuff Stuff team held the score until the end, giving them a 6-3 victory over the Lil Hustlers.

Congratulations to the Big 77 team and also to the 78 Girls for a GREAT game.

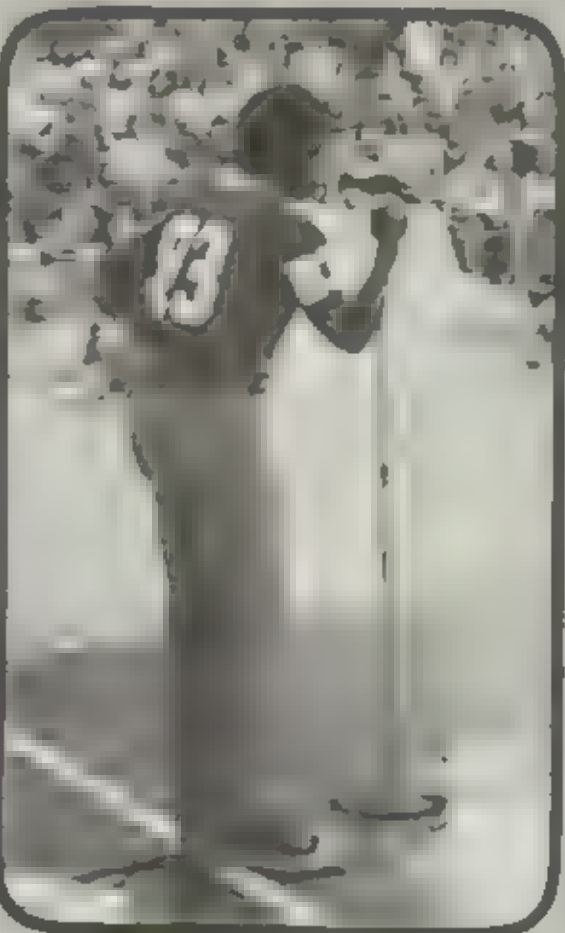

THE AGONY OF DEFEAT . . .

LYMAN VS. SEMINOLE

The first of these is the fact that the
 world is not a uniform place. It is
 full of different people, with different
 customs, languages, and ways of
 thinking. This makes it difficult to
 understand and communicate with
 people from other parts of the world.
 The second is the fact that the world
 is constantly changing. New things are
 being discovered, and old things are
 being forgotten. This makes it difficult
 to keep up with the latest news and
 events. The third is the fact that the
 world is full of problems. There are
 many different kinds of problems, and
 they are all interconnected. This makes
 it difficult to solve any one problem
 without affecting others.

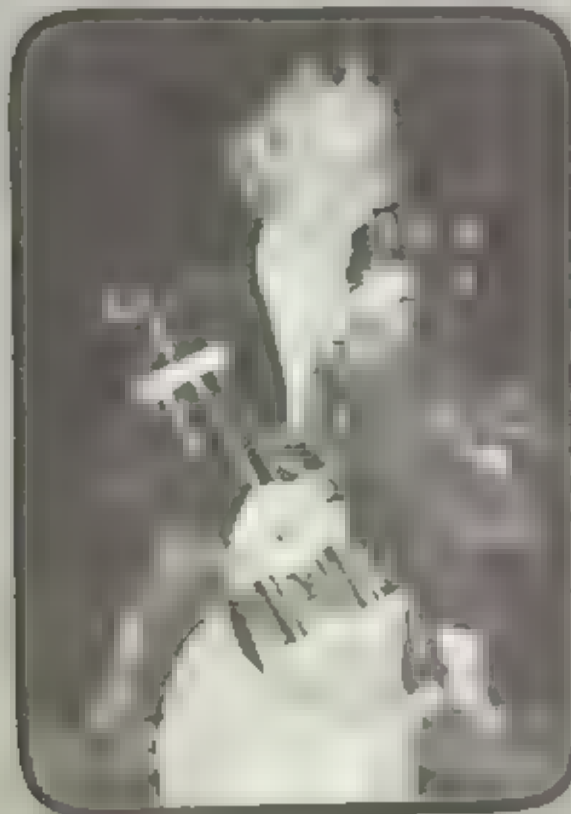

HOMEcoming GAME

Friday night held much in store for Lyman. One of the big highlights was the crowning of a new homecoming queen. It was an exciting moment when last year's queen crowned a very pretty and very happy . . . MISS TERRY O'HAIR!

PRESENTING . . .

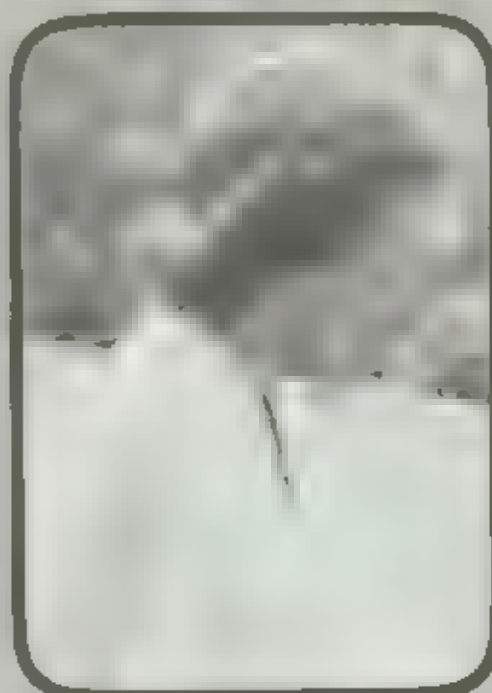

Lyman's 1976-77 Homecoming Queen
MISS TERRY O'HAIR

Terry is the daughter of Mr. and Mrs. Kenneth C. Hair. She is a member of the Good Shepherd Episcopal Church of Marlton.

Terry is the Bambi Sweetheart. She is a service-President of the Student Council, a member of Tri-Hi-Li, and a National Honor Society. She enjoys sailing, bike riding, camping, and plans to attend Auburn University next fall.

LYMAN'S 1976-1977

FRIDAY NIGHT was an exciting night for the five members of the Queen's Court. Those honored to serve on Lyman's 1976-1977 Homecoming Court were Cindi Blake, Monica Callan, Leslie Hill, Kitty Masselman, and Stephanie Sears. Congratulations girls.

At the homecoming dance, Mrs. E. P. Lyman, Sr. was the guest of honor. She was accompanied by her daughter, Mrs. Thomas T. Lyman, and her son, Mr. Lyman. The dance was a great success and all enjoyed it very much.

Mr. Carlton Henley
Principal

Everyone wishes for something at one time during his or her life. Since the theme of our yearbook is "Go For It," the staff was curious about what wishes the faculty would . . . go for. Our question to various teachers and administrators was: "If you could have one wish, and have it come true, what would it be?"
The answers . . .

Carlton Henley - I'll never tell you!!!

William Shaw - To make it a happy world
for all people.

Leroy Brown - Peace on Earth and to all mankind.

Marshall Moser - To be the kind of an
individual that
is able to contribute,
in life, what is expected
of me.

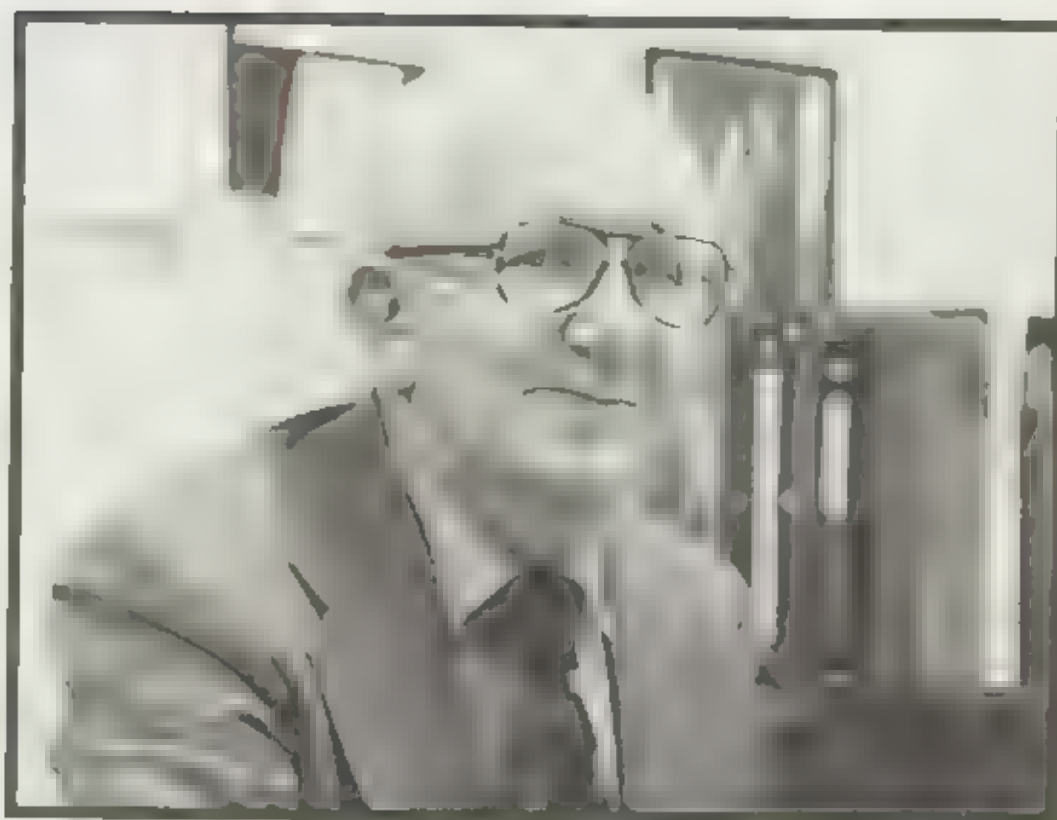

Jack Heisler - Make another wish.

Edward Buckner - Retire tomorrow with full pay!

A Special Thanks to our Cafeteria Staff

EUGENE COLE

In February we lost three of our teachers. We are sorry to see Mrs. Virginia Ellenback, Mrs. Ruby Turney and Mr. Thom Costa leave, but we wish them happiness and success in their future endeavors. Due to our deadline on the yearbook we were unable to have pictures of our new additions to the faculty taken. We wish Mrs. Susan Cappeta and Mr. Jim Anwalt a warm welcome and happiness here at Lyman High School.

TRIBUTE

There once was a man and woman,
Teachers by trade
Whose lives were enriched
By the friends they made.

Those friends appeared
By force of the job
But they soon found out,
Through the daily mob,
That each was special
In his own way
With much to offer
To brighten their day.

And so by the end
of a nine month term
It was they, of all people
Who were to learn,
That the most inspirational
Teachers today
Are those students whose lives
were sent their way.

AERO Club is a club that has been established to help those students who wish to be involved in an aviation field of work. The club is sponsored by Paul Brandorff, an ex-naval aviator. AERO Club has taken field trips to Orlando International Airport and to Jacksonville, Fla., where they visited a naval aircraft carrier. They also traveled to McDill Air Force Base in Tampa, Fla. Many of the club members are enrolled in the Aeronautics class taught by Mr. Brandorff.

L.H.S. Band Rates Superior

The Lyman Marching Band proved to be a superior organization this year.

Under the direction of Mr. John Blair, the band brought home highest ratings from district competition.

Also on their agenda were Thanksgiving and Christmas parades, car races at Daytona and a trip to New Orleans.

This enthusiastic group added much to our games and pep rallies, not only with good music, but also with their spirit.

Thanks for a great year!

Our majorettes added a special touch to the football half-time shows. Many afternoon practices were spent preparing for the game nights, at which the corps performed with the band, often in pouring and rainy weather. The majorettes were also involved with area parades and competitions.

Beta Helps Others

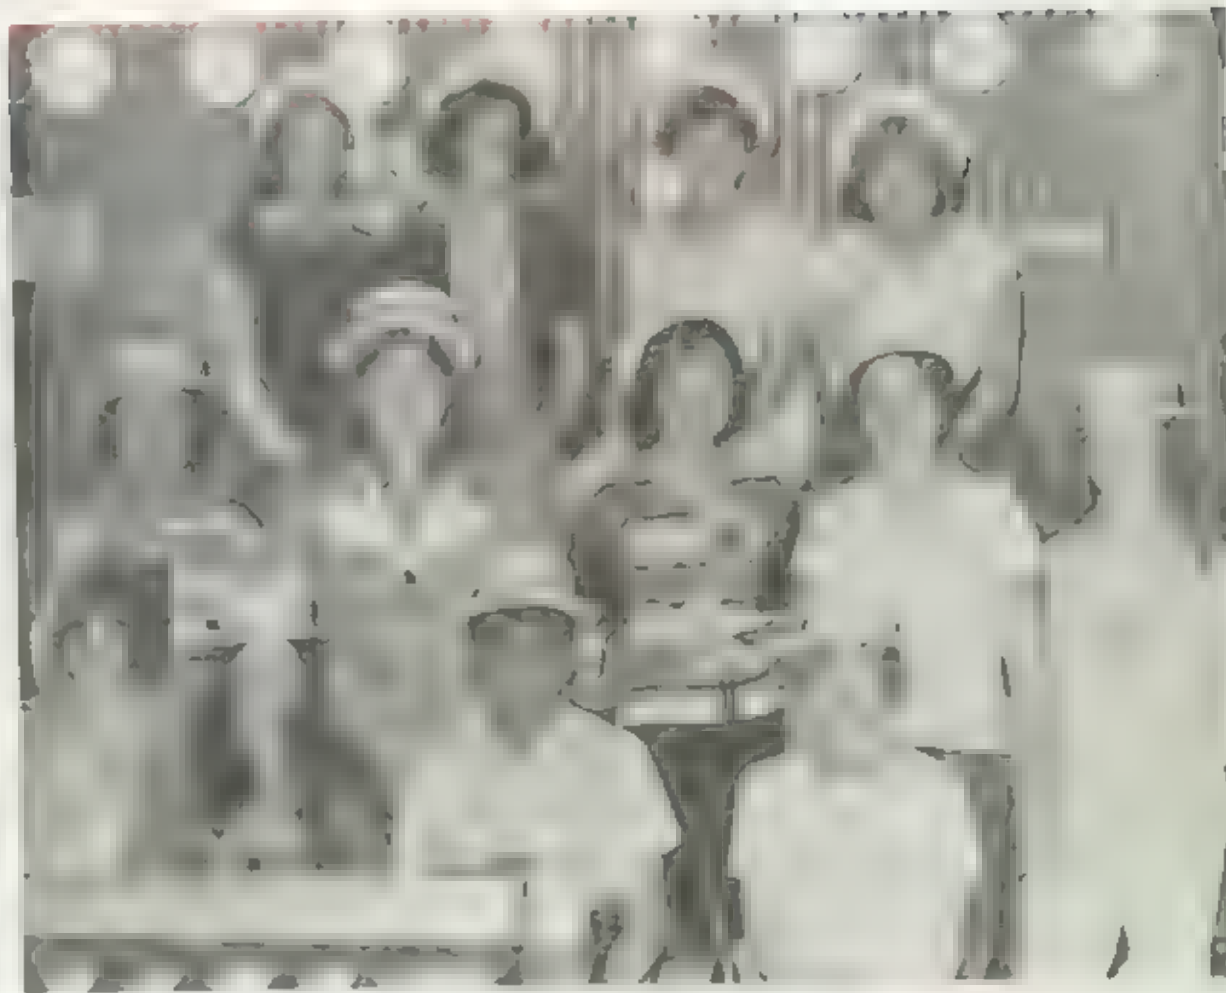

MABLE GOODALL

Beta Club has been busy again this year. As a service club, all members are pledged to help those in need. At Thanksgiving the club made a beautiful basket of food for a needy family and held a Christmas party for that family during the holidays.

Each year the Beta talent show is held and this year's show was anticipated with excitement by all those who took part. All members unselfishly dedicated their time and efforts to make it a success.

The annual State convention was held at the Carlton House on May 6-7 for all Beta clubs in Florida. The meeting always proves to be a good learning experience for the members.

DONNA RICKARDS

The Co-operative Business Education Club has had a terrific year working with all their activities. The first half of the year the girls kept busy with the Flea Market, District meetings and a meeting in which they selected District V Officers for Co-operative Education Clubs of Florida.

1st Row: Tony Ego, LuAnn Anderson, Cindy Chancey. 2nd Row: Pam Gordon, Kathie Gochmour, Teri Russell, Starr Elder, Linda Johnson, Mrs. McLaughlin

The latter part of the year each member worked very hard preparing for District and State Contests, and the hard work was well worth the trophies they won. They also planned a terrific banquet for the employers and families. The girls in Co-operative Business Education had "ups and downs" but they consider 1977 their best year yet. All members wish Miss McLaughlin, the 1978 C.B.E. girls, and the graduating class lots of luck.

Singing both traditional and original arrangements, the group performed to delighted audiences at Thanksgiving and Christmas assemblies in our gymnasium. The annual Christmas concert on Friday night, December 10th, was a treat for all those who attended. The choir again this year attended the districts with hopes of going on to state contest.

TYA Helps Community

Today's Young Americans, sponsored by Miss Cathy Hall, were active in both school and community, and sought to promote better understanding between these two groups. They held a Christmas party for 35 needy children from our area. Local churches furnished cookies and punch and TYA members brought candy and led the children

TYA has tried to help more students get involved in school activities. They wish to see each student become more out-going and find his or her place in high school life at Lyman.

Debate Goes to Emory

The debate tournaments of 1976-1977 centered around the subject of penal reform. Lyman's team chose to discuss prison overcrowding. They sought to convince opponents that our prisons are over-crowded, and then suggested a suitable reform program.

The team competed against local high schools and also participated in an invitational tournament which was held at Emory University in Atlanta, Georgia.

The debate team was very successful in their competition, bringing much recognition to Lyman, as well as many individual honors and trophies.

Again this year, members attended the Civinettes Banquet on January 31, and sent the Scrapbook, Miss Junior Civitan Candidate and officers to the State convention on April 29 and 30. The students and staff have been and are proud of this fine group representing Lyman.

MONICA CALAN Sr. Football

In order to promote spirit within the student body, the cheerleaders attended many sports events throughout the year. Six different squads were chosen this year to promote an interest in spreading the Lyman Spirit. This new method gave the girls the opportunity to involve themselves totally with one sport.

Many long hours were spent at practice and "poster parties" to produce new cheers and signs for the Football and Basketball games. The cheerleader sponsors, Miss Gibbs and Mrs. Geary, helped to make this year the best ever. Thanks girls for your time, effort, and "GREYHOUND SPIRIT."

Keyettes Win Again

Keyettes this year organized a softball game with their brother Key club against Winter Park's co-ed Key club. Lots of fun and many laughs were had by all even though Lyman's best was defeated 14-4. A barbeque was enjoyed after the game.

The blue and gold hats seen around campus this year were sold by the Keyettes. The profit was used to aid the handicapped at Christmas.

Of course, we must remember, Keyettes reigned again this year, the third time in succession, as the first place winners of the Homecoming floats.

Student Council Rules

OFFICERS: Mandi Tucker (Secretary), Miss McClellan (President), Julie Harrison (Publicity), Tom Seibert (Treasurer).

The Student Council is the major force behind the Lyman student body. Many hours of planning were put into our homecoming week this year. The traditional skit night, Powderpuff football game, dress up days, parade of floats and bonfire were a great success because of the spirit of all Lyman students. The homecoming dance after the game was held at the Maitland Civic Center again this year and was enjoyed by all those who attended.

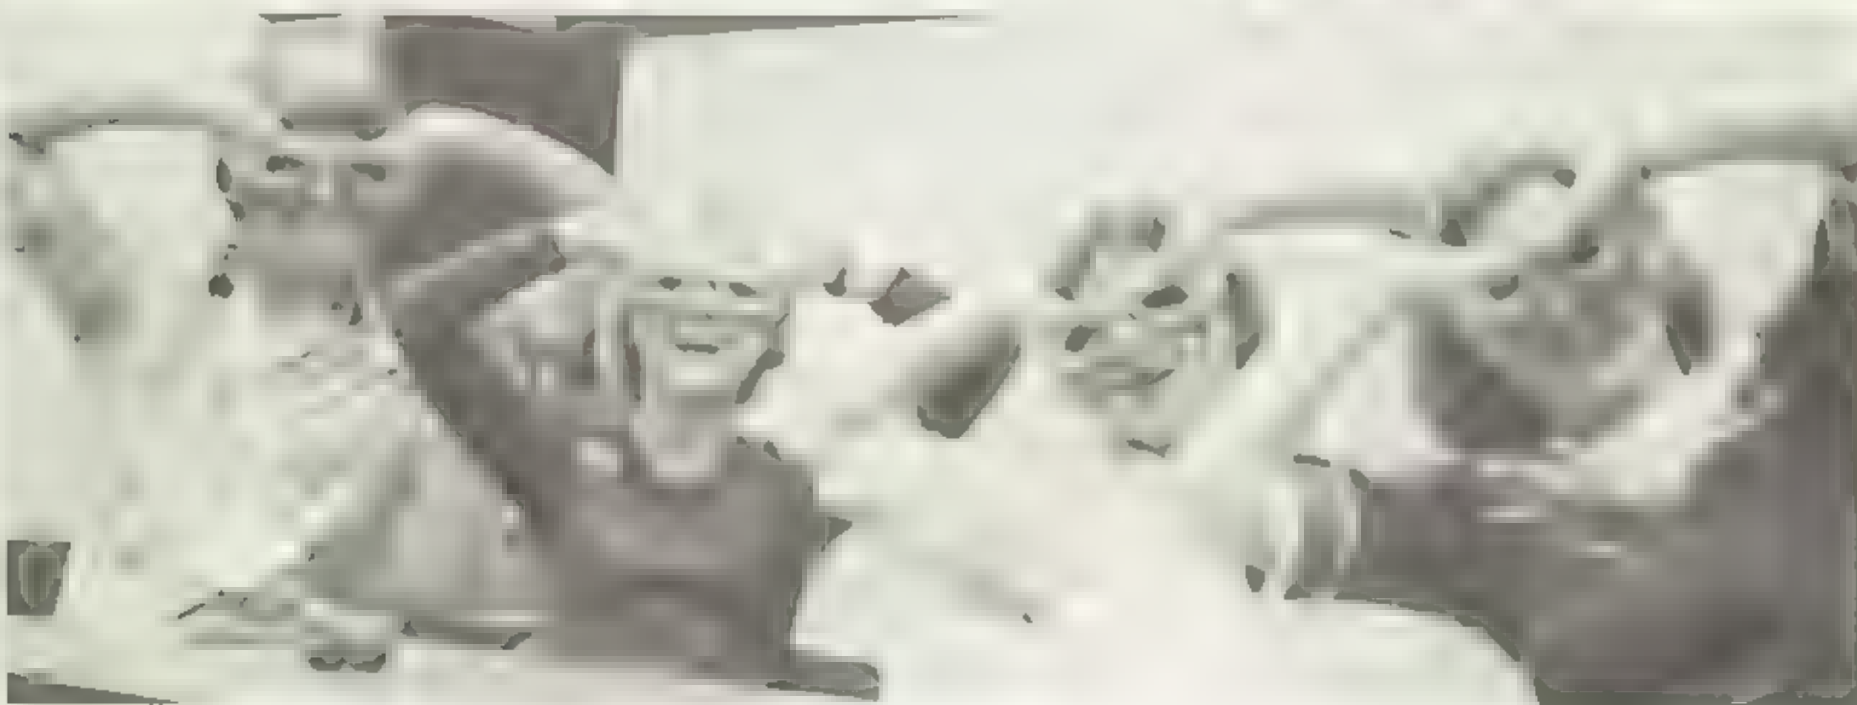

As the Thanksgiving and Christmas holidays approached, the Student Council, with the help of all the students, collected canned food which was given to the Seminole Youth Ranch. The Student Council has been making this project a tradition each year at the holiday season. To enjoy the Christmas spirit, a Christmas Ball was held this year. It was a great success and was enjoyed by all as was the Sweetheart dance in February.

With their fund raising projects, the Student Council was able to contribute to the building of a gazebo to Lyman's Bicentennial park. We congratulate all the officers on a job well done this year.

Yearbook Captures Images of the Past

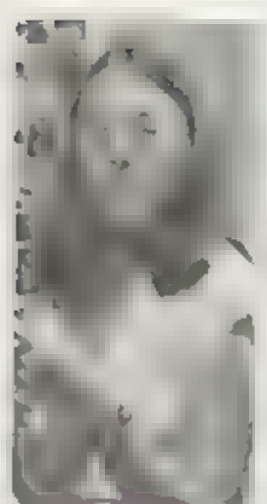

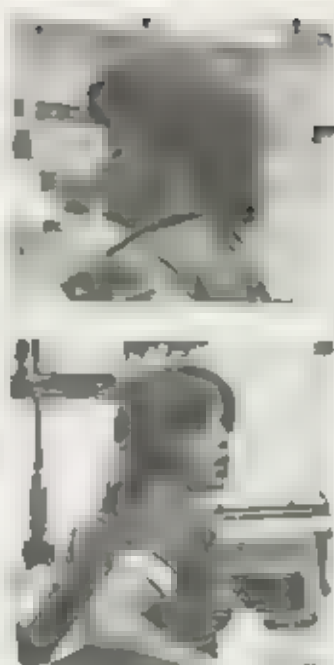

Working on the yearbook staff was an "experience." The days were filled with much hard work, lots of worries, some tears, and unfortunately, a few mistakes. But more important than any of these were the laughs and good times we shared.

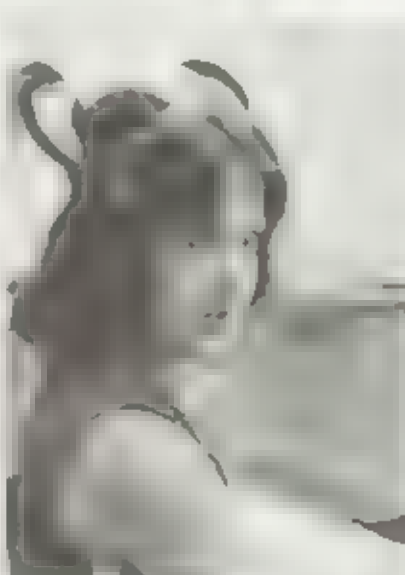

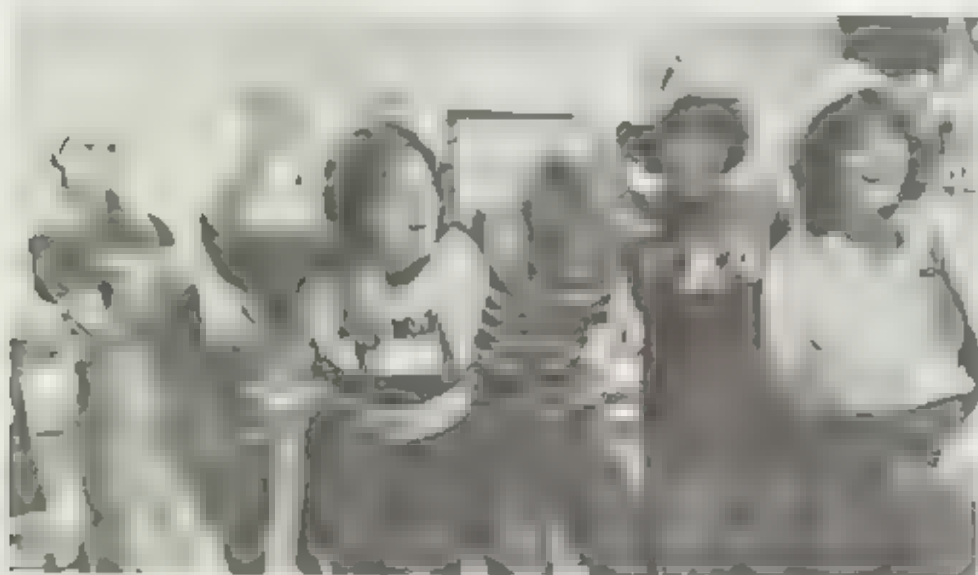

Without the help of one special lady, the yearbook staff would have never made it through the year. She's a friend when we need one, a "mom" when we need a shoulder to cry on, and a great artist when we need help with lay-outs.

Thanks from all the staff to Mrs. Susan Mabie for her understanding and dedication. We Love You.

Plant the seeds of expectation in your mind. Cultivate thoughts that anticipate achievement. Believe in yourself as being able to overcome all obstacles and weakness. Be yourself.

The '76-'77 Greyhounds performed well both as football players and good sportsmen. However, keen competition and numerous injuries prevented the team from making a successful record.

Our most important victory, over Lake Brantley, was an exciting game for both players and fans. With only a few minutes left to play, the mighty Greyhounds made a touchdown, bringing the score to 6-0.

L.H.S. owes a great deal of thanks to all our players who dedicated their time and efforts in representing our school.

SUE WOLFE

Lyman grapplers hosted the annual Christmas Tournament again this year, with sixteen teams participating. We had eight wrestlers place for the Greyhounds with three first places. A job well done!

This year has been a rebuilding year for our team. With only a few returning Varsity grapplers, Lyman still remains the "Mat King" of Central Florida. With our new and young men our team will be strong for many years to come.

The wrestler satisfied with average results will find difficulty in being satisfied with himself.

Archie Galt, Matt Smith, Dennis Galt, Captains

JV WRESTLING

[illegible]

The Junior Varsity Wrestling team had an exciting season. They finished the year with a 14-1 record. Each of the junior grapplers learned the importance of dedication and self discipline. The guys all worked hard and should prove to be strong as they move their strength to the varsity squad next year.

1st Row: Lisa Rider, Sue Wolfe, Lynn Heard (Captain), Pam Scott. 2nd Row: Karen Oliver, Karen Rhodes, Tammy Bradley, Laura Meadows, Amy Monk, Karen Berry. 3rd Row: Judy Oakley, Zoe Hill, Konni Smith, Sue DeShetler, Cheryl Summers III, Hilary Karp, Debbie Ensey, Vicki Setzer, Joni Burda.

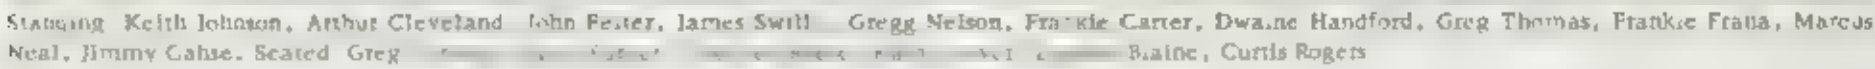

An organization overlooked most of the time by the student body is the Wrestlerettes. Twenty girls chosen by the coaches and wrestlers gave many hours of hard work promoting spirit among the wrestlers as well as advertising the great team.

The tournaments and matches were organized by these girls. They kept score, time, and other general responsibilities. Each girl worked extremely hard throughout the season encouraging the wrestlers to be the best of all their opponents. The wrestlers were lucky to have such a dedicated group supporting them.

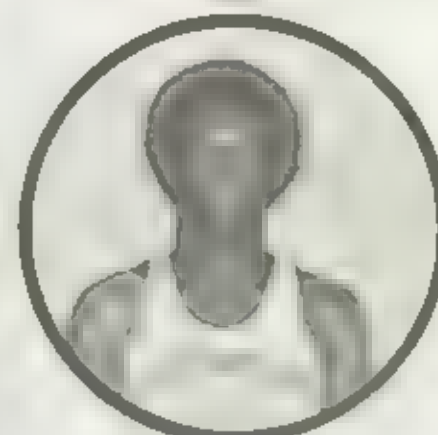

Nothing Is So Full of
Victory as Patience

The Lyman cagers had a rewarding 76-77 season. With only one senior to lead the team, they displayed outstanding hustle and desire. The games were exciting for the fans as well as the players. Each game, won or lost, had everyone in the stands on the edge of their seats. The special victories that will be remembered were against powerful Evans and the Wildcats of Winter Park.

No player stands as tall as when he stoops to help an opponent.

Despite much opposition from the Metro Conference and neighboring schools, the Girls' Basketball team played hard fought games. After 2 years of existence the girls proved themselves as an important team as well as demonstrating the "woman's place" on the basketball court.

Coach Locke whipped the team into condition with long, nearly endless practices. Although often ignored by the student body, girls' basketball will someday be one of our most valuable teams on campus. What this year's team has learned will be passed down to Lyman's future teams.

The journey of a lifetime begins with a single step reaching and searching for that intangible moment when one's identity is materialized.

JV BASKETBALL

L to R: Frank Mendo, Paul Adam, Mike McConahan, Bobby Poor, Al LaChance, Greg Lague, Mitch Hanson, Tom Greenwood, Greg H. L., Dan Reddick, David Steinhorn, Dwight Benchum. Front: Coach Embry.

Led by Coach Embry, the Junior Varsity Basketball team played through a season of tough competition. Serving as an arena for hardworking players, the team gave the opportunity to all members to improve themselves. It provided for good learning experience of skills and a training ground for players who hope to be on the Varsity squad next year.

FRESHMAN BASKETBALL

Left to right: Coach Steve Conner, and Row Manager Curtis Ann Haight, Glen Stambaugh, Greg Theopoulos, Bill Lally, Anthony Bailey, Jeff Meyers, Tony MacArthur.

The freshman team became the best Lyman has ever had with a 14-2 record. With two players averaging 18 points a game, they were a tough competitor. The first Seminole County Tournament, sponsored by the Kiwanis Club, was held on Lyman's court in February. Lyman's freshmen were victorious in the tournament, defeating Lake Howell 60-35. Congratulations to the team and to Coach Conner for a fine season.

SOCCE REF

The 1976-77 Soccer team consisted of many young players. With so many graduating seniors last year and few seniors this year, the team depended on many underclassmen to play on the Varsity team. Three freshmen were on the starting team, with one of them playing the important position of goal keeper.

The Metro Conference teams again were tough competitors. Each game became very exciting with close scores. Although it was not a very successful year for the team, the players should be commended on the hard strenuous fight displayed in each game. Coach Stone looks forward to have the young team become a team of experience next year.

I am not concerned
that you have fallen. I
am concerned that
you arise.

Standing: Mike Williams, Scott Mowry, Jay Linch, Kelly Caldwell, Jay Bowers, Glen Christianson, Rick Muselman, Greg Jacobs, Bill Mack, The Old Coach.

The J.V. Soccer Team had a hard fought season. The strong opponents made the scores low, but victories in our favor. A fast line and outstanding players were responsible for the team's achievements. Lyman will be fortunate to have these fine soccer men move up to varsity next year. Congratulations for a fine season.

The Soccerettes were busy during the entire season supporting the players with spirit. They became valuable during the games by acting as goal liners.

A car wash was held to raise money for the girls' uniforms and parties for the players. This year the girls each chose 2 or 3 soccer players who they brought refreshments for during half time. Each soccer player appreciated the hard work contributed by the girls.

1st Row: Linda Browning, Lyn Park, Co-captain Stef Volchko, Kathy Rider, Secretary Janie Erich. 2nd Row: Captain Sue Rousey, Nan Kennedy, Lori Gaskill, Jean Garvin, Vicki Marinkov. 3rd Row: Jill Pelzer, Dru Dondelinger.

This year's Softball team consisted of about twenty hard working enthusiastic girls. The season started with Seminole High School on March 1st. Winter Park proved to be the team's toughest competition. All the games were played at Lake Fairview and the girls were honored to host the districts on the Lyman field. The season was a successful one under the coaching of Miss Thompson because the girls considered each team they played to be the hardest team to beat.

1st Row, L to R: David Freeman, Russell Montgomery, Darrell Wagner, Mike Pender, Gary Blair, Richard Oswald. 2nd Row, L to R: Keith Rhodes, Bob Kohlback, Alan Connery, Jeff Fletcher, Mike Emerson. Not Pictured: Chris Davis.

Starting out the year with many new and promising athletes, the Tennis Team looked forward to a successful season. Coaching the teams for the first time was Tom Barnes who was optimistic about the outcome of the Greyhound Season.

Each tennis player practiced long hours on the court preparing themselves for their opponents. With the rapid growth of tennis in America, the team played against rough competition but always played with the Greyhound spirit and PRIDE.

Lyman track was in a rebuilding year, having few returning lettermen. Still, outstanding records were set by the team sprinters, distance runners, high jumpers, and weightmen. Led by Coach Huggins, the team proved to be a good representative of Lyman athletics. A great deal of learning and improvement made this track team one of Lyman's best.

We acquire the strength we have overcome.

The year's weightlifting team included many new participants. These new weightlifters added strength to last year's strong team. With the determination of each member, the Greyhound team once again enjoyed a victorious season. They learned the importance of dedication and the value of new friends.

Team hustle and unity proved success for the Varsity Baseball team in the 1977 season.

Led by Coach Bob McCullough and Assistant Coach Donnie Smith, the Greyhounds added up runs time and again toward well-earned victories.

Determined to overcome the obstacles of being a young team, the boys put in many hours of hard practice on the diamond. Their perseverance paid off and they showed super talent, even under the pressure of the big games.

DIVING

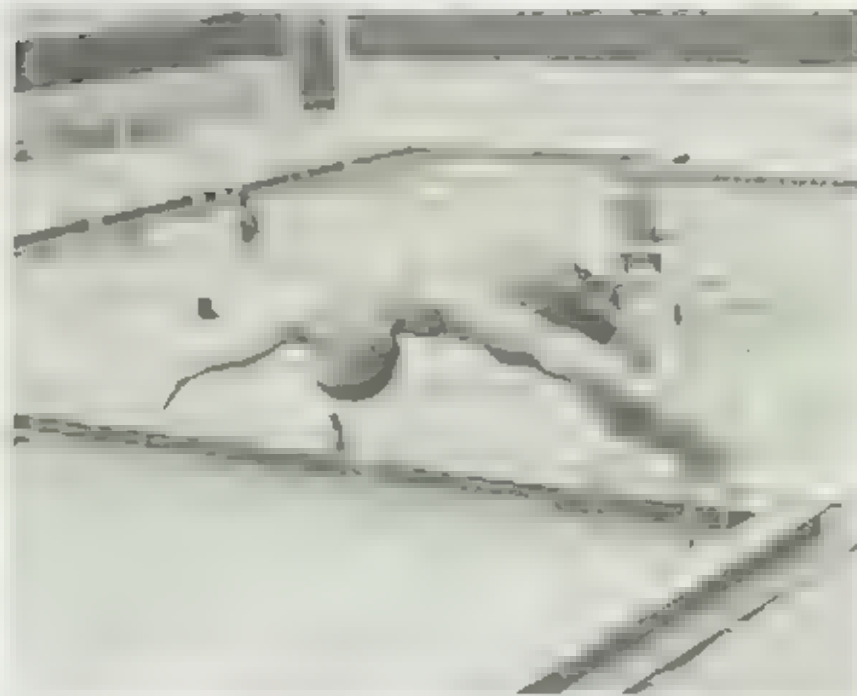

Top to Bottom: Steve Dille, Leslie Pearson (girls' captain), Dan Carmack (boys captain), Lynn Grunow, Ed Christiansen.

This year's diving team was the strongest Lyman has ever had. New, improving divers, combined with the strength of the experienced ones, helped to make this team a solid contender.

Divers are actually a part of the swim team, and their competition is scored as an individual swimming event. The divers were very competitive at the district championships, and also scored many points for the swim team in dual meets.

To help raise money for the swim team, the divers participated in the marathon by doing somersaults. Sponsors paid them for the number of somersaults they completed in an hour.

SWIM TEAM

1st Row: Bob Goff, Coach; 2nd Row: Thad Hill, Herb Grant, Cindy Blamick, Kim Blake, Denise Berry, Cathy Burleson, Danny Bogdany, Ken Stofie, Scott Travis, Larry Davis, Dan Hartman, Darrell Sullivan; 3rd Row: Paige Kelter, Ken Flynn, Chris Connell, Missy Boyd, Vicky Setzer, Kelly Frank, Debbie McCarty, Darrell Platt, Michele Murray, Ed Christensen.

This year's swim team, coached by Bob Goff, had an excellent season. Many of the top teams in Florida competed in weekend tournaments held at Lyman's pool. Although swimming such tough competition hurt the team's win-loss record, it provided excellent preparation for the championship meets at the end of the season.

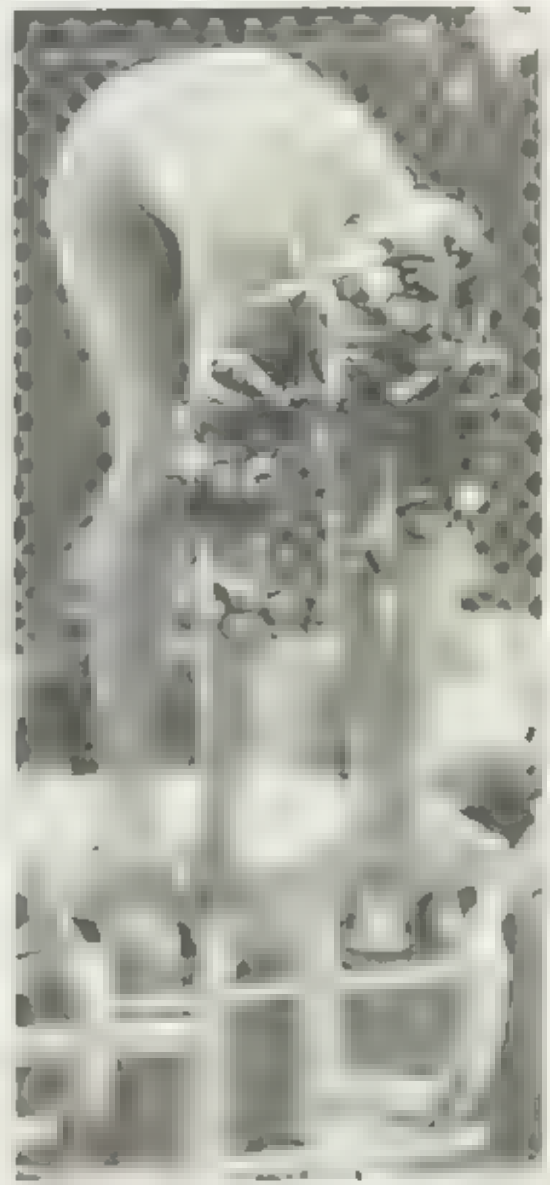

The team "swam their way to state" in a 18-hour marathon. The swimmers were divided into three relay teams, each of which collected sponsorships, then swam 200 miles to raise money for swim equipment and for travel expenses to the state meet, held in Fort Lauderdale.

Because the team has many young, talented swimmers, the future looks bright for Lyman swimming. To develop leadership among the younger swimmers, and relay captains were chosen.

Tribute to the Athlete

Yes, they are all athletes, and not one of them works harder than the next. Each sport requires different training, but all demand many hours of hard work. Every athlete deserves honor and recognition for his devotion. Yet some sadly go unnoticed.

Be proud of yourself as an athlete, for no man can speak badly of you without belittling himself. You are the one devoting your time. You are the one representing your school. The honor goes to you, the Athlete.

This yearbook is a reality because some very special people were willing to "go for it." Mrs. Mabie, as busy as you were, you found time to help each staff member and to answer seemingly endless questions. Thank you for your constant patience. Staff, you were always willing to assume extra responsibility, run errands, and give up your own activities to help us meet deadlines. Thank you for your dedication.

Many thanks also go to Russ Taylor for his beautiful artwork, to Susan Hogle and Wambist for making our cover possible, and to Mrs. Mabry for the use of her typing room.

The friendships and team spirit which developed among the staff members as we worked on this yearbook have special meaning to us, and will always be a part of our lives. The yearbook will serve as a reminder of our times together. We hope that it will do the same for you, and bring back many fond memories of your own high school experiences . . . memories which you can treasure for years to come.

With best wishes for the future,

Your Editor
